August 30, 2021 - Rachel is passionate about engineering, agility and collaboration. ... go ahead and give you a shout out from New Caney, Texas! It was one of the brightest and most memorable months in my life. This summer has been inspiring and educational for me. I learned how to work best in a team; I learned what it is like to be a woman in society, and realized what it means for other women to be a woman. I was at the opening at the Smithsonian's National Museum of Natural History; I saw the world change every day, and I was fortunate to be present at the discovery and first demonstration of this new world.
