Fifty Shades Freed Trailer & Release Date 50 Nuances de Grey 30 VF YouTube 9.021 views 3K views, Mar 28, 2018, Online streaming Cast and characters The film is set after the events of Fifty Shades of Grey. The film is titled Fifty Shades of Grey in the United States and Fifty Shades of Grey in the United Kingdom. Dakota Johnson plays Anastasia Steele, the protagonist of the film, Jamie Dornan portrays Christian Grey, the protagonist of the first two books in the Fifty Shades of Grey trilogy. In the film, Steele begins her relationship with Grey without the benefit of a "kinky", "S&M", or "domineering" partner, and is later abandoned by him due to his fragile psyche. He recovers and the two continue a relationship through the novel series, before being left on their own at the end of the third novel. Mark Anthony Strong portrays Grey's psychiatrist Dr. Jonathan Ross and the unnamed second protagonist of the film. The second male lead of the film, Alex Neal Scott, portrays young billionaire Alex Kravid and a young woman named Carmen. Alex Essoe and Elizabeth Mitchell are reprising their roles as Charlie Florez and Dr. Eva Mancini from the film Fifty Shades of Grey. The film also includes performances by Andrew Rannells and Marc Wootton. Production The film was adapted from the two novels Fifty Shades of Grey (2011) and Fifty Shades Darker (2012) by E. L. James. In March 2012, it was reported that filming on the film would begin in the summer. In June 2012, it was announced that the film would be a sequel to the first film rather than the second book. In April 2013, Sony Pictures hired Sam Taylor-Johnson to direct the film, and that it would be produced by Michael De Luca. On November 14, 2013, it was
