GREEK MYTHOLOGY CHARACTER DISCUSSION

The following are scenarios for the "Ashens" update scheduled for June 16th: Sacred Realm Of Light: The Sacred Realm Of Light was once the jewel in the sacred crown of mortal civilizations. It is the eternal light, and the sun and the moon are its radiance. And the shining light of the Sacred Realm of Light was once the center of the universe, all-in-all. ... The Sacred Realm of Light, though now it is gone, and the waves of a chaotic force have shattered the world of mortals and wreaked havoc on the paradise of Tarnag. Mortal beings have fallen into despair and anxiety, while the world of mortals is slowly floating towards the depths of the chaos that has enveloped it. Here and there, there will be cities and people that wish to crawl back into the sunlight that once shone within the Sacred Realm of Light, and the people who cling to it will believe that there is a solution to the world of mortal beings that is so turbulent and chaotic. However, in the hearts of those who once lived in the Sacred Realm of Light, there is despair, and anguish, and a sorrow that knows no end. ...

Character Discussions — The men and women of Tarnag—the land that resembles the purification of the soul, and is the source of the stars that live in the realms of the sky—These men and women have, after a great misfortune, been forced to descend into the depths of the chaos that has engulfed Tarnag, and in their hearts, they find no glimmer of hope for the future.
