[The most powerful weapon] "Original and Cool" "It is unique in its world, and its story is engrossing. The game also has a solid online function, which supports asynchronous interactions, and offers interactive play." [The most powerful weapon] "Perfect for the Anime Lover" "The game's unique presentation and story are both excellent, and the game play is intuitive and easy to follow. One of the few RPG games with a great visual presentation." [The most powerful weapon] "It has an updated atmosphere and design." "The game's atmosphere is unique and its story has a deep narrative. Its game play is simple enough for new players, but it feels like a solid game for the seasoned gamer." [The most powerful weapon] "It has one of the best action scenes I've seen." "The combat is a true test of your strength; you have to work your way through the many different boss battles and other difficulties until you gain access to new areas, and there are plenty of boss battles in the game. The combat is also a major part of the game, and it doesn't get too difficult that you feel you need to go back to Easy Mode to make any progress." [The most powerful weapon] "It has a good sense of humor." "The game is very well-made, its world is beautiful and it has an excellent worldbuilding. The story has a lot of twists and turns, and it also has a lot of humor. All of the parts of the game are easy to understand. And since there are no voices to speak of, it's a nice change to have less background chatter in the game." Story In the Lands Between, the spirit of the Earth has been tainted by the evil of the Dark Elves. With the curse of corruption, the people have become filthy and weak. An ancient ritual that restored the faith in the people is being repeated. The Tarnished, the people who killed the Dark Elves, are being pushed back again by an army of evil. People seek the aid of the brave Elden Lord Aleramos who protects the Lands Between with his mighty Elden Ring. With the power of the ancient magical artifact known as the King's Hammer, the Elden Lord is able to banish the evil forces. Controls Chapter 1: bff6bb2d33
