Hyakki Castle used to be built on the site of what was once called Minos's Font, which was an important source of water and fountains, and was used to water his garden. But after some of Minos's descendants married Therios into the royal family, it was decided that they were too asymmetrical to outshine the Ionian royals. Simultaneously, one of the Therios's relatives became obsessed with the idea of revenging his honour: he amassed an army and started a witch hunt to extirpate the memory of his ancestors. The result was the massacre of the Therios royal family in Hyakki Castle by the Kouzu Edicts of the Ionian King, the pyres taking place in the courtyard. Still, there were an estimated 130 innocents killed that day, and even though it's quieted down in time, Hyakki stands in its current position only as a reminder of that violent and dark corner of Hellenistic history. So, what do we know so far: - We arrived to an obvious, heavy iron door, that was nearly impossible to open. But after a lot of effort, we managed to seal the door somehow and move on. After some exploration, we picked up an ancient mirror - from some sort of ruined necromantic temple. - After that, we ventured down some dirt paths, and managed to hide from an inebriated guard, who was walking down the first hall right after us. He immediately started explaining to us, how to get through a set of iron doors. - We ended up in the ballroom: this is another room we didn't find on the initial map. It's got a beautiful oak-wood floor and built-in bookcases standing right next to a window, with an amazing view of the gardens. It's suitably furnished with the remains of a library, full of books and mainly sort

Features: Pure 2D side-scrolling adventure game with addictive and challenging gameplay A captivating puzzle game with an elegant, pretty storyline in full HD 720p Earn money by defeating your enemies and buy more items. You can also buy upgrades to your ship. There are also extra rounds of play Find all the hidden elements and unlock the secrets of Puppetonia! Thousands of exciting, fun, and challenging levels Upgrades from the weapons and equipment to the ship. Addiction: Pirates are never happier than when they're aboard their ship drinking like crazy. Drifting around in the deserted sea, pillaging the foreign ships, getting rewards, and taking risks. Pirates are never afraid of anything, right? Then why are people afraid of Pirates? Because they are very dangerous and mysterious in a cruel world. They will never stop drinking. They are completely addicted to alcohol. Whenever they're in a fight, they will not only damage each other with their guns, but they will also fight each other in drinking contests. And when a third person joins the fight, that is where the real danger begins. With a small amount of alcohol you may have a nice time, but if you get drunk, you are in a totally different world. This addiction creates many adventure games, so you can play it. - For example, you need to retrieve all the items and escape from the sea of Marigold. - Or maybe you want to sail the entire ocean and set free all the prisoners. - Maybe you want to play the game while you're on a boat. Or maybe you want to use the Flying Ship to explore the city. Let's go on a journey and enjoy exciting adventures! Pirates are very important people, especially at this time! They are historically a very interesting
