Thou Shall Not Pass The amount of monsters is unlimited, but your level can only get up to 2000. However, you can only kill the monsters within your level range, and may only kill a rare monster once per day. This enables you to enjoy your bloodthirsty, greed-fuelled fantasy once in a while.

Colorful Battles Pick and choose between a cast of over 100 characters. You can also freely and instantly move your party members.

The Magic of all Dungeons Illusion parties that use magic buffs, and damage/heal effects that make your party members have multiple and apparent effects and find new combat advantages.

The Smooth Flow of Combat A polished experience that does not end until you defeat your enemy (or choose to quit), which helps you forget any fatigue or indecision.

Never Complain In a fantasy RPG, there should be no people who just sit there and do nothing. Instead, there are monsters that you can fight for yourself.
