Start Menu For Windows 8 [Latest 2022]

Start Menu For Windows 8 Crack+ Keygen For (LifeTime) Free Download (Updated 2022)

Using Windows Start Menu is one of the most important features of any Windows PC. By using it, you get all the most used programs, and other folders under one single place. However, when using Windows 8, you don't have such an option. However, today we'll show you a simple tool that will help you add Windows 8 Start Menu anywhere on your desktop, so you can use it as your go-to option while working on a Windows 8 PC. What We Think: - This is a utility that requires no installation at all, just a single click and you can get Windows 8 Start Menu on your Windows 8 PC. - Since it doesn't require any advanced knowledge, even less experienced users will master the entire process in no time. - The interface of the application is clean, user-friendly and easy to use. - We like the way this tool integrates several shutdown options, such as shutting down the PC, turning off the monitor, and shutting down in the hibernate mode. - We also like the fact that this program doesn't require you to manually enter any settings, as it is already set with the default options. - Unfortunately, there's no support for customization, so you don't have much control over the Windows 8 Start Menu. - You can't add any custom folders to this program, and that's an important shortcoming. Conclusions: If you are looking for a tool that will help you install a Windows 8 Start Menu on your computer, without any installation steps, then Start Menu for Windows 8 can be a good choice for you. It is a simple, but effective application that has all the features that you are looking for. Windows 8 Start Menu Instructions: 1. Open Start Menu for Windows 8 application, and hit the "Add" button on top of the main menu. 2. The Start Menu will be created using the options on the application. Just enter the location you want to use for the Windows 8 Start Menu, and hit the "Save" button. 3. After saving the new location, it will be placed on your Windows 8 desktop by the time you exit the application. Start Menu for Windows 8 Details: If you are using Windows 8, you are surely looking for ways to customize the Start Menu.
