your private parts with soap.in my opinion, you have a physical deformity. You are letting a cat in your computer, how the hell the kitty will listen to you? You know who is the ultimate boss of a cat, i.e. human? Cats are definitely females, because they will never follow humans, they can only follow other cats. Human's are definitely lower than God, because they cannot even control themselves, let alone be able to control a cat. A cat knows everything, so this is just another sick joke by vicky to play with the b7e8fdf5c8
