Western Boss #47 - IsOnline Presence Absolutely Necessary for a MMORPG? Western Boss - Series: OnlineBoss - Series: FTRchampion - Series: Webslave - Series: INTRODUCTION: Welcome! This is a short game compilation for you to get an idea of

how all of our games work; in this instance, we are talking about visual novels. At first glance, visual novels, or “illustrated novels,” may seem like just another charming niche visual game... but this isn’t the case. VISUAL NOVELS are, in fact, a very popular style of interactive narrative. The fact is, the “novel” part of the series has more to do with it than just visuals—in fact, the majority of visual novels are, in fact, text-based games. No matter what kind of game you’re interested in, there is a VN out there for you. Why do these games exist? Part of it is because the industry is very complex, and because there is a massive variety of different ways to play games. If you’re a fan of action games, it’s easy to understand that they wouldn’t make sense to introduce to a visual novel player. On the other hand, people who are huge fans

of, say, dating simulators also tend to play action games as well. But what if you like both genres? Where would you play? Visual novels and their fans are a very large and passionate group of people. Why else would there be companies that specialize in producing such content? Visual novels tend to be less action-based than other genres of games, and they tend to be a step

Play as one of the player characters in this fantasy RPG. • Challenge and Battle with an Original Combat System Choose from a variety of armors and weapons, and take on a large variety of monsters in a massive, seamless open world. • Combines Fantasy and Action-RPG With the combination of real-time combat and exploration, the game offers an action-RPG atmosphere. World of Tarnished Tides: Sorcery that influences the fate of the Lands Between, Tarnished Tides. • An Improvised Heroine Imbued With a Mysterious Past The protagonist, a timid high school student named Tarnish, moves from a poor family to the capital city on his own. In the city, he witnesses the

magic of a girl, the Sorceress, whom he meets when investigating the whereabouts of a mysterious elf girl. By tapping on a floating rock to stir up sand, he can draw out a magic circle that gives access to Tarnished Tides.

- An Unexplored World of Infinite Possibility A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. Exploration and battle become easier as you progress, and your play style changes with you.
- A Multistory Dungeon Where Your Adventure Takes On the World! A multistory dungeon wherein you enter a room and fight a boss. Numerous rooms can be freely connected, offering various combinations. Preparation for battle is everything: the

enemy will be much stronger than you; it takes time to rest between battles, and you won't have the time to rest unless you prepare beforehand. In short, fighting is more important than anything. World of the Lands Between: Hardships of life in the Lands Between. • Smaller Town Life While Living a Great Adventure When the protagonist is starting out on his adventure, it is the duty of his grandmother to take care of him. When the boy realizes that something was amiss, he sets out on his adventure to solve the mystery of the strange phenomena occurring in the Lands Between. Tarnished Tides and Sorcery are fragments of a single world, the Lands Between, where one's luck is always bad no matter what he does. • An Original

Drama Written for Everyone Please enjoy the drama of the Lands Between; the fate of your character is decided by you, and the outcome
