Be sure to visit the Elden Ring Cracked 2022 Latest Version official website. The Elden Ring game will be available on Amazon. a team around Drew Brees never sounded very likely a few months ago. Or three weeks ago, even, when the New Orleans Saints sent down offensive linemen Tim Lelito and Zach Strief and tight end Benjamin Watson. Who cares? The offense couldn't get going in the preseason against the Panthers. The Saints offense was even worse against the Titans. That led to a lot of talk about Drew Brees' age coming into play and the end of his career. And the Saints offense was worse against the Buccaneers last week, albeit by a microscopic margin. Last week, it appeared that the Saints offense looked at times like one of those exploding things you know is going to blow up once you walk up to it. But the reality is it still functioned just fine. The Saints are about two months away from the real season. Based on what they've shown in the preseason and three weeks in the regular season, I feel confident saying that Drew Brees' days as a top-five QB in the league are done. Oh, the Saints don't like what they've seen from their quarterback. Owner Tom Benson has said time and again Brees needs to be a better leader. New Orleans coach Sean Payton hasn't been shy about calling Brees out as a subpar player in the past. So it wouldn't be shocking for the message to start flowing from above the team's locker room to below it. The Saints offensive staff has tried to take on the offensive line in the past. And most, including offensive coordinator Pete Carmichael Jr., insist to you there isn't a quarterback controversy. There's no question the line has taken the brunt of the blame. The offensive line play has been a major reason why the Saints failed to score a touchdown against the
